Here is a handy list (see other side of this page) of questions and items that you need to consider for an interiors project, no matter who you work with.

Tear this page off and keep it handy for your first meetings, your initial planning times and as a prompt for any research you will need to do.

Or contact Astute Interiors to get the ball rolling on 0401 895 606 or visit www.astuteinteriors.com.au

A great interior designer will...

Take your project from start to finish

We can take your project from start to finish. By helping you through the planning stages we are then able to work with you through selection processes, budgets, addressing styles and introducing you to some of the brilliant design packages we provide.

A great interior designer will...

Bring your vision to life

Whether it's one room or a whole home - we can bring your vision to life.

Astute Interiors introduces harmony into your home with creative design concepts - combining function, beauty and your personal style.

Our broad range of skill sets include:

- Colour consulting
- Interior decorating
- Interior design
- Property styling
- Design packages

What do you expect from an interior designer?

Astute Interiors

Creative solutions for a defined space

Perforation

A great interior designer will...

Listen to you

Listening to you is where we begin. This helps us to understand where your ideas come from and how we can compliment them. If you don't know where to start, we will ask the questions to ensure that you get a fantastic result that matches your budget.

A great interior designer will...

Understand what you want

We need to understand what you want. Our ability to translate your thoughts into something special for you is what makes our business tick.

We take the time to understand what you want and combine it with our expertise to get a brilliant outcome.

A great interior designer will...

Be an expert in design and colour

Knowing what colours work in different environments and how they can influence moods and appearances is our job. We will advise you and help make design decisions to fit any challenge.

Questions worth answering.

How will the [space] be used?

What is the family situation?

What are your long term plans?

What style house do you like?

What is your wish list?

What are your storage requirements?

What is your budget?

Items you might need.
